

# Virginia Police Chiefs Foundation

The Virginia Police Chiefs Foundation (VPCF) has created and implemented the Commonwealth Youth Conference on Leadership Effectiveness (CYCLE), a unique youth leadership education program designed to provide teens with skills in personal leadership which will equip them to make more effective and appropriate decisions throughout their lives, as individuals and as members of a team. It provides them with the tools to enhance their learning process, build their self-esteem, expand opportunities, increase their potential, and become good leaders and give back to the community.

Your contribution can make a positive impact on CYCLE, by helping to sponsor teens to attend, as the program is provided at no cost to teens or their families. Please return this form along with your contribution.

The Virginia Police Chiefs Foundation is a 501(c) 3 charitable and educational foundation and your contribution is tax deductible to the extent allowed by the law. Please return this form along with your contribution.
